December 7, 2012

Breen Brothers Towing
Staten Island, NY

Dear Friend,

On behalf of the American Red Cross Greater New York Region, I want to thank you for your recent donation of Towing Services of an American Red Cross container on Staten Island on December 6, 2012, after Hurricane Sandy. New Yorkers are affected by disaster every day, and your generosity enables the Red Cross to prepare for and provide shelter, food, emotional support and other assistance in response to large scale disasters and the nearly 200 disasters that we respond to each day across the country, including an average of 8 here in Greater New York.

Donations such as yours provide Red Cross with the essential resources necessary to carry out our mission of service and preparedness. There is no other organization that can do what Red Cross does every day which is what makes your support so meaningful. You should also know that your donation may qualify as a tax deductible donation, so please consult your tax advisor for more information.

On behalf of the American Red Cross Greater New York Region and the people of Staten Island, thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Josh Lockwood".
